Our Mission

Christ the Servant Parish is a welcoming Catholic faith community gathered together to gratefully share and live the Eucharist, the inspiration of the Gospel, the presence of the Holy Spirit, and to follow Christ's example in service of others.

Pope Francis' Tweet for the Week
Where there is no honor for the elderly, there is no future for the young.

Please continue to check our parish website www.ctswoodridge.org, and facebook, for up to date information about what we are able to offer to help keep our community connected.

As long as the number allowed at mass is restricted, Fr. Bob will be recording a mass, and it will be posted by 4:30 pm Saturdays on the YouTube channel [christtheservant](https://www.youtube.com/channel/ChristTheServant).

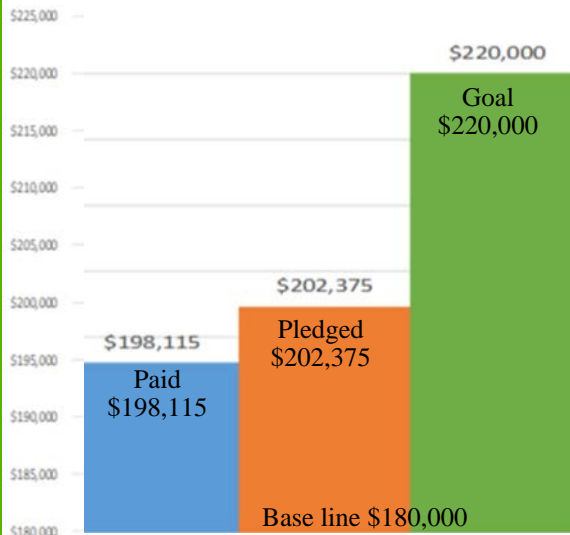

CTS Capital Contribution Challenge

We are making great progress!

As of June 15, we still need \$17,625 to reach our goal.

Please keep the support coming! Pledge cards are available at the check-in table, or donate online, choosing "other", with "CCC" in the memo.

IMPORTANT NEWS TO SHARE!

Youth Religious Education

Partners in Faith growing in Faith,

Living life with Hope, Knowing the One Who is Love... Together

Dear Parish Family,

We have some exciting news that we would like to share with the religious formation families and parishioners of Christ the Servant. To provide our children with the best opportunity to grow in their faith and love of Jesus, after much prayer and discussion, it has been decided to form a partnership in Religious Formation between Christ the Servant and Our Lady of Peace parishes.

Christine Goba, who is the part-time Director of Religious Formation at Christ the Servant, will become the full-time Director of Youth Religious Education for the two parishes. Christine has done a wonderful job leading Christ the Servant's Religious Formation program. She has put her education, skills and passion to work this past year to help educate CTS's students and to lead them closer to God. We are confident she is ready to take on this new and larger assignment and continue to do great work.

The religious formation classes will be held at Our Lady of Peace to take advantage of the beautiful classroom spaces and technology that are available there. Christine will maintain office hours at both parishes for the convenience of the parents. Catechists from both parishes will be needed and will continue to teach the classes.

We are planning to have an open house for CTS families to visit Our Lady of Peace and become more acquainted with the classrooms and facilities that the children will be using this coming Fall. So, stay tuned for more information to come.

We welcome this new partnership to provide the best Religious Formation experience for our children.

Sincerely,

Rev. Bob Duda

WHAT IS “BLACK LIVES MATTER” ALL ABOUT?

by Lois P, osf September 1, 2020

Continued from last week...

The U.S. population's perception of Black Lives Matter varies considerably by race; however, the majority of Americans, across all racial and ethnic groups, have expressed support for the Black Lives Matter movement. A 2020 Pew Research Center poll found that 60% of white, 77% of Hispanic, 75% of Asian and 86% of African-Americans either "strongly support" or "somewhat support" BLM.

The names most associated with Black Lives Matter are victims who have drawn attention to the massive issues of racism that our country struggles with: George Floyd, Breonna Taylor, Ahmaud Arbery, Eric Garner, Michael Brown and, most recently, Jacob Blake of Kenosha Wisconsin. Following the shooting of Jacob Blake, national sports teams have lent solidarity by striking and not playing game five of their playoff series

(NBA’s Milwaukee Bucks and Orlando Magic). In addition, professional, college and high school team names, are being changed and letting go of their racist mascots. Notably, women athletes (WNBA) are also striking against racial injustice! What does Black Lives Matter mean to you? What are your hopes for Black and Brown People?

Italicized information was gleaned from Black Lives Matter and Blue Lives Matter in wikipedia.org

“All of us can cooperate as instruments of God for the care of Creation.”

WEEKLY STEWARDSHIP RECOMMENDATION:

Buy Fresh, Local, Organic

Food travels an average of 1,200 miles before it reaches your plate, so buying locally grown can save energy and prevent air pollution. Also, fresh foods require significantly less energy than frozen foods (but watch out for spoilage which contributes to food waste!). Organics benefit the environment by not relying on synthetic pesticides or fertilizers which can contaminate soil and water. Other benefits of fresh, local and organic can be healthier foods with better taste. Farmers markets and Community Supported Agriculture (CSAs) are both great ways to support a local food system.
