Our Mission

Christ the Servant Parish is a welcoming Catholic faith community gathered together to gratefully share and live the Eucharist, the inspiration of the Gospel, the presence of the Holy Spirit, and to follow Christ's example in service of others.

Pope Francis' Tweet for the Week
Holiness does not consist of a few heroic deeds, but of loving a lot every day.

Please continue to check our parish website www.ctswoodridge.org, and facebook, for up to date information about what we are able to offer to help keep our community connected.

At this time, we continue to record the mass for people who are not able to make it to church, posting it by 4:30 pm Saturdays on the YouTube channel [christtheservant](https://www.youtube.com/channel/UC1tththeservant).

CASH FOR FOOD Saturday, June 11 Sunday, June 12

CHRIST THE SERVANT supports the West Suburban Food Pantry, Downers Grove Area FISH (includes Woodridge), and Blue Jeans for the Homeless.

Food items are very welcome, including canned goods, rice, peanut butter, etc. as well as personal care and paper products.

Please drop off your food and product items in the parking lot before Mass.

Cash donations are most appreciated. Any cash amount is welcome!

A **Cash for Food Blue Donation Box** will be available in the Narthex for your convenience.

Please make checks payable to **Christ the Servant**. All cash and checks will be converted to food donations and distributed promptly.

Thank you for attending to the needs of those less fortunate.

Creation Care Corner

The Anniversary of *Laudato Si'*

This week is the anniversary of Pope Francis' encyclical *Laudato Si'*: a text of landmark significance and an appeal for us to rethink our relationship with nature.

- He reframes the environmental dialogue from a political discussion into language of faith. Creation, the natural world around us, is recognized as a precious gift from God to be revered by all.
- The Holy Father invites us to become aware and reflect deeply on the unsustainable environmental degradation around us and its consequences.
- The Pope asks us to examine our lifestyles through sound ecological virtues, greater simplicity and less focus on material things.
- By reducing excessive consumption and waste in our lives, we can significantly improve care for Creation.
- Francis also points out the scientific consensus that human activity is the main contributor to a warming climate and warns of a worsening crisis. Without change, additional harmful sea level rise, droughts, and negatively impacted crop yields are expected.
- Since the livelihoods of the poor will be most impacted, it becomes a moral imperative to take action.
- Pope Francis urges us to take action to mitigate these outcomes by working to protect our common home and by eliminating wastefulness in our lives.
