Protecting God’s Children for Adults
ATTENTION: ALL VOLUNTEERS AND PARENTS
PGCA is an awareness and safe environment program. The target audience is adults that volunteer with children. Many past participants have shared that they believe all parents would benefit by attending. This program is a proactive response to dealing with some of the situations of the world in which we live today. It has been designed to raise our awareness of the issues and provide ways to respond by creating a safe environment for our children.

Out of concern for the safety and well-being of children, all adults, who have significant contact with children at our parish must participate in the Protecting God’s Children Program. This program is mandated by the Diocese of Joliet in accordance with the Charter for the Protection of Children and Young People.

There are sessions offered at neighboring parishes. To view a list of available opportunities, visit www.virtus.org. Select First-time Registrant > View list of sessions > Joliet IL (Diocese)

For more information contact the parish office.

Respect for All Life

Pray Always...for our Family Members

The number one prayer intention received by Catholic Radio stations is for family members, especially children, to return to their Catholic faith. It’s a request that weighs heavily on many people—the deep desire for loved ones to embrace their Faith and live lives of holiness. May our brothers and sisters who have strayed from the Faith, through our prayer and witness to the Gospel, rediscover the merciful closeness of the Lord and the beauty of the Christian life.

It’s been said that the second largest group of Christians in the U.S. are those who were baptized Catholic but no longer share in our community. Many left from anger because something happened to them or in the church; in many cases, a lack of interest. Our country has become increasingly secularized. Sunday is seen as simply a day to sleep in, to read the newspaper, to watch the sports. And many are just not as interested in the Lord. But do not despair—you can help. This is where we as Catholics have a great responsibility to show through the witness of our lives that our faith is very important because it helps us through the struggles our nation faces, and the world.
