

Easter Décor

If you would like to remember a deceased family member or friend with a donation to our Easter decoration fund, please fill out the form below. The names of those remembered, and the names of those requesting the memorial, will be included in the bulletin during the season following Easter Sunday (sorted by the last name of the person being remembered).

The type and number of flowers ordered will be decided upon by our Art & Environment Committee, but will include Easter lilies and green plants.

Due to the generosity of our parishioners, donations usually exceed the actual cost of the flowers purchased for the Easter season. Funds in excess of those needed to purchase the flowers are also used for other church decoration purposes, such as banners, green plants, wreaths, outside décor, etc., or permanent furnishings such as liturgical tables, vestments, and altar cloths.

The typical donation is \$10. Checks may be made payable to Christ the Servant Church, with the memo "Easter Décor".

It is not necessary to memorialize anyone to contribute. Please return contribution (and form if you wish) to the drop box in the narthex or to the Parish Office by **Tuesday, March 16.**
