

**Acceptable Equipment**

All electronic equipment is acceptable with the exception of manifested hazardous waste, radioactive waste, biohazardous waste or mercury containing devices\*\*. Some examples of accepted electronic equipment are, but not limited to:

- |                                |                        |                            |
|--------------------------------|------------------------|----------------------------|
| Computer Monitors – CRTs       | Tape Players           | Printed Circuit Boards     |
| Computer Monitors – Flat Panel | CD Players             | UPS (personal & network)   |
| Televisions – CRTs             | Telephones             | Microwaves                 |
| Televisions – Flat Screen      | Cell Phones            | Small Household Appliances |
| Desktop Computers              | Fax Machines           | Servers                    |
| Laptop Computers               | Gaming Consoles        | Terminals                  |
| Keyboards                      | Power & Network Cables | Rechargeable Batteries     |
| Mice                           | Network Hubs           | Peripherals                |
| Printers                       | Switching boxes        | Military Equipment         |
| Scanners / Fax Machines        | Controllers            | Medical Equipment          |
| Copy Machines                  | Modems                 | Telecommunications         |
| VCRs                           | Docking Stations       | Commercial Equipment       |
| Stereos                        | CD Roms                | Office Equipment           |
| Radios                         | Hard Drives            | Banking Equipment          |
| Mainframes                     | Extension Cords        | Test Equipment             |

**Unacceptable Equipment**

- |  |                     |
|--|---------------------|
| Devices containing or omitting radioactivity | Car batteries       |
| Mercury containing devices                   | Smoke alarms        |
| Light bulbs (fluorescent or Incandescent)    | Thermostats         |
| Large Household Appliances (White Goods)     | Thermometers        |
| Hazardous materials                          | Air conditioners    |
| Fire extinguishers                           | Gas powered engines |

**\*\*Examples of mercury containing devices are:**

- |                         |              |             |
|-------------------------|--------------|-------------|
| Fluorescent light bulbs | HID bulbs    | Thermostats |
| Boat switches           | Thermometers |             |

**\*This list is examples of unacceptable items, but not limited to just items stated here.**
